POLICY STATEMENT

Avonmore Primary School takes its responsibility of care for its students seriously and believes that everyone within the school community has the right to be safe, trusted, respected to enable them to fully access the curriculum and attain their maximum potential. This premise spans many areas; classrooms, playground, online activities and off site on curriculum/learning visits (museum trips & weekly swimming lessons) and school journeys.

Across Avonmore we expect the highest standards of behaviour at all times from all our pupils in line with each individual school's values and code of conduct.

If you require this policy in another language, this can be arranged.

This policy is available to all parents either in hard copy or from our school website.

1. Aims

This policy aims to:

- Provide a **consistent approach** to behaviour management
- **Define** what we consider to be unacceptable behaviour, including bullying
- Outline **how pupils are expected to behave**
- Summarise the **roles and responsibilities** of different people in the school community with regards to behaviour management
- Outline our system of **rewards and sanctions**

2. Legislation and statutory requirements

- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

In addition, this policy is based on:

- Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its pupils
- Sections 88-94 of the [Education and Inspections Act 2006](#), which require schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate pupils' property
- [DfE guidance](#) explaining that maintained schools should publish their behaviour policy online

3. Definitions

Misbehaviour is defined as:

- Disruption in lessons, in corridors between lessons, and at break and lunchtimes
- Non-completion of classwork
- Poor attitude

Serious misbehaviour is defined as:

- Repeated breaches of the school rules
- Any form of bullying, including being a bystander to bullying when warnings about consequences have been given (although the consequences for this will be dealt with on a case by case basis)
- Sexual assault, which is any unwanted sexual behaviour that causes humiliation, pain, fear or intimidation
- Vandalism
- Theft
- Fighting, or physically putting another child or member of staff at risk of injury with their behaviour.

4. Bullying

Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power.

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

Details of our school's approach to preventing and addressing bullying are set out in our anti-bullying policy.

5. Roles and responsibilities

5.1 The governing board

The Governing body is responsible for reviewing and approving the written statement of behaviour principles (appendix 1).

The Standards Committee will also review this behaviour policy in conjunction with the Executive Head Teacher and Head of School and monitor the policy's effectiveness, holding the Head of School to account for its implementation.

5.2 The Executive Head & Head of School

The Executive Head and Head of School are responsible for reviewing this behaviour policy in conjunction with the Standards committee giving due consideration to the school's statement of behaviour principles (appendix 1). The headteacher will also approve this policy.

The Head of School will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

5.3 Staff

All school staff are responsible for

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents
- Communicating behaviour concerns to parents and carers

The senior leadership team, including the school Behaviour Lead, will support staff in responding to behaviour incidents.

5.4 Parents

Parents and carers are expected to

- Support their child in adhering to the school rules and class contract
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly
- Support the school in the handling of consequences for negative behaviour

6. PRACTICE

Avonmore recognises that every student and member of staff is responsible for promoting exemplary behaviour. To ensure there is a positive climate for learning, outstanding behaviour is considered the 'norm'; while poor or off-task behaviour is recognised as a significant barrier to learning and progress..

All Staff are responsible for maintaining a calm, safe environment by performing duties before and after school and at break times. The Leadership Team provide further support by being available at all times to deal with any issues.

All staff are required to familiarise themselves with the Behaviour, Child Protection and safeguarding and Online Safety policies annually and attend regular Safeguarding training (including Prevent and FGM training).

All classrooms should display the behaviour chart (Appendix 2) and class contract (Appendix 3) which is written and signed by all children.

All classrooms are set up to promote wanted behaviour and create an ethos which reflects school values while taking into account needs of individual children e.g. preferential seating, reflective book corner, house points, value display, visible roles and responsibilities.

All children are encouraged to undertake roles and responsibilities within school particularly within key stage two e.g. Library Monitors, Pupil leaders, Pupil & Eco Council members.

Where the school has significant concerns about a child's behaviour, the leadership team will adopt a 'Multi Agency' approach to assess the levels of need and implement the most appropriate levels of support.

7. Rewards and sanctions

7.1 List of rewards and consequences

Rewards

At Avonmore, a range of strategies are used to promote and reward outstanding behaviour and behaviour for learning. All children are allocated a house and many opportunities are afforded for children to be awarded house points. In general, these house points reflect school values. Individual rewards are used as appropriate.

At Avonmore, there are many opportunities for children to be rewarded for their effort and positive behaviour. In our whole school Celebration assembly every Friday, one child from each class is awarded the Star of the Week certificate, with the class teacher reading out the reason why. We also award a French speaker award, a sports award, a reader of the week award and playtime awards given out by the pupil leaders each term. Individual class teachers may use their own reward and incentive schemes too.

Consequences

Failure to follow the school code of conduct and class contract will result in fair, consistent consequences as follows:

Within the school building and during PE lessons on school premises

e.g. in the classroom, dining hall, transitions in corridors and toilets

- Follow the behaviour chart steps
- Child to be given opportunity for reflection either in class and/or out of class. This may be referred to as 'time out' or 'thinking time' or something similar. This time will be given as an opportunity for the child think about how to correct their behaviours when they re-join their class.
- Support from a designated adult will be available if needed
- If the child has been given a Yellow Card, the 'time out' will take place in another classroom and the child will be spoken to by a member of staff in that classroom or at an appropriate time by a member of staff from their own class. *Covid-19 amendment – as each class is their own 'bubble' they will not have a time out in another classroom, but rather in their own classroom or outside the room of a member of the leadership team.*
- If a second Yellow card is issued, the child will be sent to speak to a member of the Leadership team, who will give them appropriate thinking time and help them reflect on their behaviour choices. The child will have the opportunity for some thinking time during ten minutes of the next playtime.
- If a Red Card is issued (either for three Yellow Cards in a day, or for serious misbehaviour), the child will be sent to a member of the Leadership Team to discuss the behaviour. Calming down time will be given if needed. The child will spend both morning playtimes and lunch break reflecting on their behaviour choices outside the school office. If a Red Card is issued after any of these playtimes have taken place, the time is made up the following day. If a child is absent from school the following day, they will have their reflection time on their next day back in school.

- Yellow Cards and Red Cards are recorded and tracked on SIMs on a weekly basis and reviewed by the Leadership Team. These are used to identify when parents/carers need to be contacted regarding their child's behaviour and to determine if further intervention is required.
- Parents/Carers are informed, in person or by phone, of any Red Cards on the day of the incident and asked to attend a meeting.
- In the event that an incident happens shortly before the end of the school day and it is initially unclear as to what the consequence should be, a member of the Leadership Team may decide that the incident will need to be fully investigated the following school day before any formal consequence is given. If a member of the Leadership Team has concerns about sending a child home with the situation unresolved, parents/carers may be asked to remain in school after the gate has closed while the incident is investigated.

In the playground

e.g. playtimes, before and after school sessions. This includes Breakfast Club and Morning Sports clubs

- Follow the behaviour chart steps – yellow and red cards will be issued where appropriate
- Parents/Carers called following any Red Cards. Class teachers to be informed of any yellow cards.
- 'Time out' can be given in a designated area of the playground to allow the children involved in an incident time to reflect and calm down before returning to play when directed by the member of staff who sent them for the time out.
- Where a child is considered either at risk to themselves or to others, they are directed towards specific activities with a designated adult supervising, this may happen inside where appropriate.
- If the behaviour escalates, this may culminate in the child being excluded from playtime and taken inside to a member of the Leadership team or the child's class teacher. .

Off-site curriculum regular learning e.g. swimming /P.E.

- Follow the behaviour chart steps - yellow and red cards will be issued where appropriate, or a member of staff can decide to wait to give a consequence until they arrive back to school and pass the incident on to the class teacher or Leadership Team.
- Where a child is considered either at risk to themselves or to others, they are accompanied back to school with an adult and a decision is made by the Head of School as to whether or not this child should continue accessing this learning in its current form i.e. off-site. And if so, what arrangements need to be put in place to ensure safety of all the children. If this is not possible then the student may have to forgo this curriculum area until all children's safety is ensured. The school's decision will be final.

Off-site curriculum trips e.g. London Zoo and Off-site residential trips.

If a pupil has previously demonstrated unsafe or unacceptable behaviour on an off-site trip or is considered within school to be a child who places themselves or others at risk or is a child who cannot/will not follow instructions, then a decision will be made regarding whether this child should be allowed to take part in Off-site activities. This includes off-site residential trips. The school's decision will be final.

On offsite trips the following applies:

- Follow the school's usual behaviour steps
- Where a child is considered either at risk to themselves or to others when on the trip – at ANY stage - they are accompanied back to school with an adult and a decision is made by the Head of School regarding future trips premised upon whether or not this child will be safe or endanger other children on future trips. The school's decision will be final.

Off-site residential trips

- Follow and support the residential venue 'rules'.
- Follow the school's usual behaviour steps
- Where a child is considered either at risk to themselves or to others, they will be to leave the residential site and return home. Parent/carers will be contacted and will be expected to collect their child from the venue. The child will remain supervised by a member of staff until he/she is collected. The school's decision will be final

All off-site behaviour consequences also cover unwanted behaviour on public/private transport e.g. tube/coaches and whilst walking to and from the destination.

7.2 Off-site behaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or at after school clubs run off site.

7.3 Malicious allegations

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the Head of School will discipline the pupil in accordance with this policy.

Please refer to our statement of procedures for dealing with allegations of abuse against staff for more information on responding to allegations of abuse.

The Head of School will also consider the pastoral needs of staff accused of misconduct.

7.4 Serious behaviour

Should a situation arise within the school setting where a child's behaviour becomes unsafe to themselves or others it will be necessary for the teacher to call for support from a member of the Leadership Team.

The aim is to resolve the situation and allow all students to continue with the lesson. The intention behind this is to ensure that all teachers are empowered in relation to classroom management.

Where the member of senior staff considers there to be a risk that poor behaviour may continue, they may remain in the lesson to assist in settling the class.

If there is a risk that the behaviour may result in any children being unsafe then the child will be removed if this can be done safely. If this is not possible, then the other children will leave the classroom/playground/hall etc. whilst a senior member of staff remains with the non-compliant child. This non-compliance can result in internal or fixed term exclusion.

Where a child has caused a significant breach of health and safety they will be automatically removed from the class safely by a member of staff using restraint guidelines. Any incidents of restraint must be recorded on a Restraint Incident Form (Appendix 5) and parents/carers will be contacted immediately.

Please see Physical Intervention and Restraint policy.

8. Behaviour management

8.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the pupil code of conduct and the signed class contract
- Develop a positive relationship with pupils, which includes
 - Greeting pupils in the morning/at the start of lessons

- Establishing clear routines
- Communicating expectations of behaviour in ways other than verbally
- Highlighting and promoting good behaviour
- Concluding the day positively and starting the next day afresh
- Having a plan for dealing with low-level disruption
- Using positive reinforcement

8.2 Physical restraint (please see physical intervention and restraint policy for more information)

In some circumstances, staff who are trained to do so, may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- Carefully follow steps
- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (see physical intervention and restraint policy for documentation)

8.3 Confiscation

Searching and screening pupils is conducted in line with the DFE's [latest guidance on searching, screening and confiscation](#). Any prohibited items found in pupils' possession will be confiscated. These items will not be returned to pupils.

We will also confiscate any item which is harmful or detrimental to school discipline. If appropriate, these items will be returned to pupils after discussion with senior leaders and parents.

8.4 Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

8.4 Internal Exclusions

Where appropriate, following a serious incident or an accumulation of 3 Red Cards in a term, a child will be subject to an internal exclusion for a specified time period. Parents/Carers are informed of the reasons for the internal exclusion. Governors are informed of internal exclusions.

When on internal exclusion, the child will be sent, with relevant work, to an appropriate learning space. A child on an internal exclusion will get regular breaks and a lunch time break but not with their peers.

8.5 External (fixed term) Exclusions

The school adheres strictly to the Local Authority Guidance and DFE Guidance 2012.

The Executive Head Teacher is legally responsible, following investigation and guidance from the Head of School, for the exclusion of students and for gathering and preparing all exclusion documentation. This is done with support and guidance from The Tri-Borough Exclusions Service as part of the Tri-Borough ACE team.

Parent/Carers will be notified verbally and this will be followed up in writing with the terms of the exclusion. This letter will include guidance for parents on how to appeal should they wish. If the terms of the exclusion are not being met – Avonmore Primary School will invoke the following clause:

'You have a duty to ensure that your child is not found in a public place during this exclusion i.e. unless there is reasonable justification for this. I must warn you that you may be prosecuted or receive a penalty notice from the local authority, if your child is found in a public place during normal school hours, on the specified dates, without reasonable justification.'

Following an exclusion, a meeting between the school, the student and the parent is arranged in which a 'back to school' agreement is signed. It is likely that 'special conditions' will be agreed before re-admission including additional support such as time with an appropriate member of staff, a staggered return, structured play to ensure a smooth transition back into school and improved behaviour.

The Chair of Governors' is involved in all exclusions and is formally informed on the day of decision to externally exclude.

8.6 Permanent Exclusions

A Governors' Discipline Panel, made up of three governors, will be convened when a student has been excluded in excess of fifteen days in any one term or has been permanently excluded.

9. Pupil transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.

10. Parents and carers

Parents are expected to behave in an adult, mature and amicable fashion at all times when on the school site or in conversation with members of staff. This also encompasses 'electronic' communication e.g. emails and texts.

When a parent's behaviour is giving cause for concern, the parent shall be spoken to regarding this. If there is no improvement, then the governing body has the authority to ban the parent from school premises and /or from contacting members of staff.

Where a parent's behaviour is verbally or physically aggressive towards a member of the school community, the police may be informed.

11. Training

Our staff are provided with training on managing behaviour, as part of their induction process and with updates on an annual basis.

Behaviour management will also form part of continuing professional development.

12. Monitoring arrangements

This behaviour policy will be reviewed by the Executive headteacher and Standards Committee every two years. At each review, the policy will be approved by the headteacher.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the Governing Board every two years.

13. Links with other policies

This behaviour policy is linked to the following policies:

- Anti-bullying Policy
- Physical Intervention and Restraint Policy
- Equalities Statement

Appendix 1: Governors' statement of behaviour principles

March 2018

The overriding purpose of Avonmore's Behaviour Policy (the Policy) is to create a caring and safe environment where good behaviour habits are instilled and learning can flourish. The purpose of this statement is to give guidance to the Executive Headteacher and Head of School when drawing up the Policy by stating the principles the Governing Body expect to be followed.

The Head of School is also asked to take account of the guidance in the DfE publication 'Behaviour and Discipline in Schools: a guide for Headteachers and school staff' (January 2016).

The Policy must be publicised, in writing, to parents/carers and children each year. It must also appear on the school's website.

Principles:

- Every child has the right to learn and no child has the right to disrupt the learning of others.
- Everyone has the right to be listened to, to be valued, to feel and be safe. Everyone must be protected from disruption or abuse.
- Avonmore Primary School is an inclusive school; all members of the school community should be free from discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010.
- It is expected that all adults- staff, volunteers and governors- will set excellent examples to the children at all times.
- The Policy will ensure that there are measures to encourage and reward good behaviour, self-discipline and respect.
- The Policy will outline a clear system of rewards and consequences and ensure children, parents/carers and staff understand them and ensure they are consistently applied.
- The Policy will clearly reflect the school's approach to exclusions.
- The Policy will specifically aim to prevent all forms of bullying amongst pupils; it will also provide guidance on use of reasonable force.
- The Policy will explain that the school may use powers to search in order to maintain good order. Where there are significant concerns over a pupil's behaviour, the school will work with parents/carers to strive for common strategies between home and school and if needed work as part of a multi-agency network.
- The Policy will set out disciplinary action that will be taken against pupils who are found to have made malicious accusations against school staff.
- The school will fulfil its legal duties under the Equality Act 2010 in respect of safeguarding, children with special educational needs and all vulnerable children.
- The school will keep abreast of current issues and initiatives with regard to the Health and Safety at Work 1974 and related regulations.

Appendix 2:

Notes

- All children start the day on green.
- Children moved up to gold as a reward for positive effort, behaviours, outcomes etc.
- If children are behaving in a way that is not in line with the class contract, they will be moved down to reminder. If this persists they move to warning and then to Yellow Card 1. This involves the child spending a small amount of time in another classroom to allow them to reflect, calm down and prepare to re-enter the lesson. When they come back, they start again on green.
- If negative behaviours continue, a teacher will follow the same structure, but this time a child will move to Yellow Card 2, which results in a visit to a member of the leadership team to discuss their actions and attempt to prevent reaching a red card. Again, when they re-enter the class, they start on green.
- If a child's behaviour persists, they will be moved to Red Card and removed from the lesson to spend time out of class. This will be with a member of SLT if available.
- If a child receives 3 red cards in a half term they will receive an exclusion. Exclusions are at the discretion of the Headteacher and can increase in length each time a child receives one.
- If a child gains more than 15 days of exclusions in a term, or 45 days in a school year, the borough Exclusions Officer will be consulted to advice on whether a permanent exclusion is necessary.
