

Year 4 Group Distance Learning Provision Spring Term 2.

Dear Parents and Carers,

Outlined below are the lessons your child could and should access if they are unable to attend school for a period during this half term, due to self-isolation etc. We have outlined suitable lessons that match our curriculum for this half term. We recommend your child completes English and Maths lessons daily – and 1 lesson per week for the remaining subjects.

Please note – this is NOT homework. This is suggested provision for your child only IF they are unable to attend school.

In addition to the below, we would suggest that your child should be reading for at least 30mins per day. Your child also has access to the website/app Sumdog and should use this for daily practice of fluency and other maths curriculum objectives - we would suggest at least 15mins per day on this.

Subject	Remote lessons to be accessed	Notes
English – Reading	CGP workbooks	Your child should also read for at least 30 minutes each day. Whenever possible, also listen to your child reading to check for fluency and comprehension.
English – Writing	Journalistic writing https://classroom.thenational.academy/units/journalistic-writing-based-on-traditional-tales-0887	Children should have completed this unit already during lockdown, but it links with the current unit they are completing in class. They should use it as revision of key skills we are using in class, or to start from wherever they got up to previously.
Maths	Fractions https://classroom.thenational.academy/units/fractions-0678	Children should have completed part of this unit already during lockdown, so should start on Lesson 11, or wherever they got up to previously.
Science	Plants https://classroom.thenational.academy/units/plants-d1e9	6 lessons in total, work through in order. The children will be roughly working through these lesson topics week by week at school so you can

		estimate where they are up to. It would be beneficial to always start from the first lesson to revise your child's subject knowledge.
Humanities	Ancient Greece https://classroom.thenational.academy/units/ancient-greece-79e7	The children will be roughly working through these lesson topics week by week at school, so you can estimate where they are up to. It would be beneficial to always start from the first lesson to revise your child's subject knowledge.
RE	Christianity https://classroom.thenational.academy/units/christianity-90fd	
Art	https://classroom.thenational.academy/units/installation-site-specific-art-00fd	5 lessons, work through in order.
