

Year 6 Group Distance Learning Provision Summer Term 2.

Dear Parents and Carers,

Outlined below are the lessons your child could and should access if they are unable to attend school for a period during this half term, due to self-isolation etc. We have outlined suitable lessons that match our curriculum for this half term. We recommend your child completes English and Maths lessons daily – and 1 lesson per week for the remaining subjects.

Please note – this is NOT homework. This is suggested provision for your child only IF they are unable to attend school.

In addition to the below, we would suggest that your child should be reading for at least 30mins per day. Your child also has access to the website/app Sumdog and should use this for daily practice of fluency and other maths curriculum objectives - we would suggest at least 15mins per day on this.

Subject	Remote lessons to be accessed	Notes
English – Reading	Streetchild by Berlie Doherty https://classroom.thenational.academy/units/streetchild-by-berlie-doherty-d135 Mirror by Jeannie Baker https://classroom.thenational.academy/subjects-by-key-stage/key-stage-2/subjects/english	5 lessons in total - these should be done in order as the lessons follow on from each other. 5 lessons in total - these should be done in order as the lessons follow on from each other.
English – Writing	The Golden Compass - Narrative writing https://classroom.thenational.academy/units/the-golden-compass-mixed-outcomes-8489	30 lessons in total - these should be done in order with the children writing different outcomes throughout the unit.
English – Grammar	There are grammar lessons interspersed throughout the Rabbit Proof Fence Oak Academy literacy unit and these are all useful sessions for your child to do as these are many of the grammar targets that we continue to work on in school. https://classroom.thenational.academy/units/rabbit-proof-fence-narrative-writing-7070 Lesson 3 - To explore the function of apostrophes Lesson 6 - To practise non-finite complex sentences Lesson 13 - To explore subject, verb, object	These should be done in order to support your child as they work through the Rabbit Proof Fence literacy unit.

English – Spelling	Curriculum words https://classroom.thenational.academy/units/curriculum-words-ac0b	This spelling units has two lessons per unit. In the first lesson, your child will be introduced to the new spelling words for the unit. In the second lesson, they will be provided with the opportunity to practise these words and then will be tested. It is suggested that your child should leave a week between each lesson so that they can practise.
Maths	Proportion problems https://classroom.thenational.academy/units/proportion-problems-1d07	8 lessons in total - these should be done in order as the lessons follow on from each other.
Science	History of Science https://classroom.thenational.academy/units/history-of-science-cfd6	6 lessons in total, work through in order. The children will be roughly working through these lesson topics week by week at school so you can estimate where they are up to. It would be beneficial to always start from the first lesson to revise your child’s subject knowledge.
