Avonmore School sports funding allocation and outcomes 2021-2022

Fox Federation mission statement and values:

We work together to enable all children to reach their full potential, to make a difference and to create positive experiences. The Fox Federation values are:

- Respect,
- Resilience,
- Collaboration,
- Curiosity
- & Inclusion.

Avonmore PE aims:

At Avonmore we recognise the importance of PE to the health and well being of children and believe that Physical Education is an essential part of a child's educational development. We believe that a progressive, varied PE curriculum and extra curricular opportunities have a positive influence on the concentration, attitude and academic achievement of our children.

We aim to:

- Develop confidence, skills and knowledge;
- Pursuit of sporting excellence;

- Improve fitness levels leading to improved health and well being;
- Provide quality sporting opportunities for children outside of school time.

Our PE sports funding will enable us to help fund specialist PE teachers to work alongside class teachers, enter local and national sports competitions, and provide a wide variety of extra-curricular sports opportunities

Sports funding allocation 2021-2022 – £10,284.00

Approximate sports expenditure £47360.00 including PE teacher

Avonmore PE Sports Funding Targets 2021-2022:

The following targets were identified to improve the quality and quantity of PE at Avonmore. The sports funding was used to support these targets.

Target 1 To increase the engagement of all pupils in physical activity			
Intent	Implementation	Intended Impact	Cost
Provide a wide range of activities within the curriculum and at break and lunch times	Purchase additional equipment to encourage physical activities - skipping ropes, hoops, soft balls, hoppers etc	Children to be more motivated to take part in physical activities during free times as well as building on skills that have been learnt in PE lessons.	£1000.00
Develop zones within the playgrounds to encourage physical activity	Train support staff so they can lead activities at lunchtimes	At lunchtimes, children have focused physical activities each day.	£300.00
Increase the number of before and after school activities and ensure children are targeted to attend the skipping ropes for PE		More clubs on offer (and at different times of the day) to ensure that there is an increase in the numbers of pupils accessing extra curricular activities	£3900.00

The school has made a big push for jumping rope as a whole body exercise. High intensity workouts that resemble cross fit programmes. se	Introduce skipping lessons at the beginning of PE lessons to then encourage skipping at play and lunch	Children to be fitter as a result of starting and ending all PE lessons with running and skipping. Skipping is also introduced in lunch, breakfast club and break time	£50.00

Impact of PE Sports Funding 2020-2021:

- Avonmore ran an extended schools offer where possible during school opening periods of 2020-2021. In light of the new guidance on school bubble closures, Avonmore are confident we can offer a wide range of extended school clubs every week and have been started for Autumn 2021.
- Avonmore targeted additional PE sessions for all year groups, adapting its whole school timetable to ensure that children received additional PE sessions. All classes had additional fitness sessions as well as their allocated PE slots.
- Due to COVID-19 Avonmore were unable to compete in any local competitions or national competitions. However the PE teacher ensured that Year group competitions took place within the school. Whilst in Lockdown, Avonmore was able to deliver virtual PE, online resources, and virtual challenges in an attempt to maintain physical provision for the children.
